The Fairfax County Democratic Committee employs one full time employee, the Executive Director, whose time was more than 25 percent devoted to federal elections and candidates during this reporting period. No other entity pays compensation for their employees to work for the Committee. The Committee does not engage in any fundraising on behalf of candidates for Federal office, so all of its reported fundraising expenses are party fundraising. The Committee maintains both Federal and Non Federal accounts. The Committee is allocating administrative expenses using the 64% - 36% split this year. Last month, the Committee held a fundraiser that raised both federal and nonfederal funds. The fundraiser featured a Silent Auction in which a few of the Silent Auction items were contributed by corporations, and the proceeds from these items should have been deposited in the Committee?s nonfederal account. They were mistakenly deposited in the Committee?s federal account. The error was discovered as we prepared last month?s report, and a corresponding transfer from our federal account to our nonfederal account was made this month. This month we held also held another fundraising event that raised both federal and nonfederal funds, featuring a Silent Auction with some items donated by corporations. The proceeds from some of these items were deposited first into our Federal account, because all of our credit card contributions are deposited into that account automatically. On May 15, we made a transfer from the federal account to the nonfederal account to correct this problem. This amendment adds memo items that were inadvertently omitted to several disbursements.
